Day 01

Cusco – Km 82 – Wayllabamba

We will pick you up from your Cusco hotel at 5:00 a.m. and travel by private van to Kilometer 82, the starting point of the Luxury Inca Trail to Machu Picchu. If you are staying in the Sacred Valley, such as Ollantaytambo or Urubamba, pickup will be around two hours later.

In Ollantaytambo, we stop for breakfast at a local restaurant overlooking the Inca town. This peaceful moment lets you prepare for the day, enjoy the valley, and make last-minute purchases before the trek begins.

We then drive 30 minutes to the Km 82 checkpoint, where the iconic Inca Trail begins. The first stretch is a gentle four-hour hike to lunch near the Inca site of Patallacta. Here, our chefs prepare a fresh gourmet meal using local ingredients, served in TreXperience style with selected refreshing drinks.

After lunch, we hike two more hours along the Cusichaca River to Wayllabamba, where your luxury camp will be waiting. Enjoy a warm welcome, sunset drinks, hot showers, towels, massage service, and spacious glamping-style tents with queen or twin luxury camping cots, warm blankets, and pillows. Dinner is served in the private dining tent, with fresh Peruvian flavors and a peaceful mountain atmosphere.

Day 02

Wayllabamba – Warmiwañusca – Pacaymayo

Wake up with hot coffee or tea in your tent, followed by a nourishing breakfast prepared by your trekking chefs. Today is the most challenging day of the Inca Trail, but also one of the most rewarding.

Begin the steady climb toward Dead Woman's Pass, known locally as Warmiwañuska, the highest point of the trail at 4,215 m / 13,829 ft. Your guide will help you maintain a steady pace, with time to breathe, rest, and take in the mountain scenery.

After reaching the pass, celebrate and enjoy the powerful views before descending toward Pacaymayo. Along the way, your team will prepare a fresh lunch with local ingredients and refreshing drinks to help you recover and continue comfortably.

In the afternoon, arrive at your second luxury camp. After this demanding day, enjoy a hot shower, fresh towel, massage, sunset drinks, and a warm dinner in your private dining tent. Your glamping tent will be ready with queen or twin luxury camping cots, warm blankets, pillows, and the quiet comfort of the Andes.

Day 03

Pacaymayo – Runkuraqay – Sayacmarca – Phuyupatamarca

After breakfast, continue through one of the most beautiful sections of the Inca Trail. The path rises and descends through stone stairways, cloud forest, and mountain viewpoints, with several remarkable Inca sites along the way.

You will visit Runkuraqay, Sayacmarca, Conchamarca, and Phuyupatamarca, often called the “city above the clouds.” Your guide will bring each place to life with stories about Inca engineering, ceremony, and the sacred meaning of the trail.

During lunch, enjoy fresh dishes prepared by your chefs and selected refreshing drinks before continuing through one of the most scenic areas of the trek.

Your final camp night in the mountains is a special one. After the hike, step into a comfortable glamping tent with queen or twin luxury camping cots, take a hot shower with a fresh towel, enjoy a relaxing massage, and settle into the evening with sunset drinks. Dinner is served in the private dining tent with tables, chairs, warm service, and premium camp details.

Day 04

Phuyupatamarca – Sun Gate – Machu Picchu – Cusco

Wake up early for the final and most emotional day of the trek. After breakfast, begin the descent through cloud forest and ancient stone steps, visiting Intipata and Wiñay Wayna, one of the most impressive archaeological sites on the Inca Trail.

Continue toward Inti Punku, the Sun Gate. This is the moment many travelers dream about: your first view of Machu Picchu from above, framed by mountains and morning light. From here, you will continue down toward the citadel for your guided visit.

Your guide will lead you through the best areas allowed by your official circuit, explaining the temples, terraces, royal spaces, sacred areas, and the incredible design of the Inca city. Inca

Trail access usually gives hikers a strong combination of panoramic viewpoints and important areas in the lower central part of Machu Picchu.

After your guided tour of Machu Picchu, enjoy lunch near the citadel at the Machu Picchu hotel restaurant. Later, return by bus to Aguas Calientes and board the scenic Vistadome Observatory Train to Ollantaytambo, where private transportation will be waiting to take you back to your hotel in Cusco.
